**Headteacher** Jan Shapiro M.A

16<sup>th</sup> December 2021

Dear Parents and Carers

**Re: Year 11 students return to school in January 2022**

Following on from my letter of December 3<sup>rd</sup>, I am writing to you to confirm our plans for the Year 11 Academic Review Days and the Covid-19 testing program which will run alongside this.

Year 11 students will attend school for a half day during either Tuesday 4<sup>th</sup> or Wednesday 5<sup>th</sup> January 2022\*

11A	Tuesday 4th January	08:30 to 12:30
11P	Tuesday 4 <sup>th</sup> January	12:00 to 16:00
11E	Wednesday 5 <sup>th</sup> January	08:30 to 12:30
11S	Wednesday 5 <sup>th</sup> January	12:00 to 16:00

*\* A small number of students will be asked to attend school for further sessions across the two days – if your child is affected, you will be contacted separately.*

Upon arrival, students will be supported to administer their own Lateral Flow Test. With a negative result, they will be able to then take part in the Academic Review Day. If a student receives a positive Lateral Flow Test, they will need to go straight home, book a PCR test, and self-isolate until they receive their result. They would then follow the latest government guidance.

During the Academic Review Day, your child will meet with each of their teachers for 10-15 minutes and will receive invaluable feedback on their progress so far and personalised targets which will help them to improve over the coming months.

We will send you a copy of the notes from each meeting which will also contain information on how you can best support your child in their study of each of their subjects.

We hope to be able to welcome you into school for the parents and carers evening which is planned for 24<sup>th</sup> March 2022.

If you wish to discuss anything with any of your child's teachers, please contact them via email.

Yours faithfully

David Murrells  
Deputy Head Teacher
